FALSE LIZZIE.

Respectfully dedicated to Mrs. Grindy and her family:

She fled with a man from the city,
Oh females you can deceive;
Left a good home, what a pity,
And left all her friends to grieve.

She has gone without token or warning,
A note of regret did not pen;
Her friends and her relatives scorned
Bing,

She fled with the vilest of men.

She was the loved mother of many,
Her offspring were prized most high;
Her daughters both Jenny and Fanny,

Will hear of their loss with a sigh.

Her eyes were like diamonds glistening,

Her breath was like new-mown hay;
Full many a bucket over teeming,
She sent to her neighbors away.

The clubs will all have it tomorrow,
For this leading journal they read;
And those not subscribers will hor-

Iow,

As scandals are read with a greed,
Before you pronounce a decision,
I won't hear her slandered now;

But seal up all mouths with precision,
For Lizzie was our old cow.

WORK for the cause of incorporation
for the city of Ardmore.

THE ARDMOREITE is for Ardmore first, last and all the time; hence it labors for incorporation.

THE heathen Chinese has been wasting his powder on firecrackers. When he goes up against a Jap he wants a gun.

THE sporting authorities have come out on the side of China. They say that the Chinese are much better sprinters than the Japanese.

THE Japanese national flower is the chrysanthemum, but the Japanese national character, as expressed in the Chinese war, would be better represented by the daisy.

DOES Gen. Schofield think an increase of the standing army necessary because Buffalo Bill has canceled the engagements of his Wild West Indians and returned them to their reservation?

Mr. McKNELLY says we have not yet reached a point where protection is not needed. The Ohio Treasury, under his administration, reached that point some time ago. Empty vaults need no protection.

THE matter of incorporation or no incorporation is purely a question as to whether it can be legally done or not. If the law will warrant it judge Stuart will, in our opinion, not hesitate to grant the prayers of our people.

"IN every State in the Union except Mississippi," says the Philadelphia Press, "the Democratic ranks are shattered and broken." Are they, indeed? Watch the returns and see how the scent of the roses still clings to the Southern ballot box.

Lost or Stolen.

It is understood that Friday Oct. 26, has been set apart as confederate day, at the Dallas fair. This being true all the odd-vets of Ardmore should try to be on hand. Several have already expressed their intention of going.
